WORLD COUNCIL YOUNG CREDIT UNION PROFESSIONALS
SCHOLARSHIP PROGRAM

"It was an absolutely amazing experience."

"Thanks to last year's WYCUP program, we had two winners. We appreciate the opportunity to see our people grow and achieve."

"Looking forward to more engagement in the WYCUP program as that is the future of the industry!"

World Council Young Credit Union Professionals (WYCUP) offers an annual scholarship program to promote and engage the next generation of credit union leaders in the international credit union movement. Up to five outstanding nominees who have made significant contributions to their credit union or financial cooperative services systems and have the potential to make a global impact are awarded the scholarship.

The 2018 WYCUP scholarship will be awarded at the World Credit Union Conference (WCUC) in Singapore on July 15–18 for an all-expense-paid attendance at the 2019 World Credit Union Conference in the Bahamas.

Why you should be a WYCUP nominee:

You are 35 or younger, you are passionate about credit unions and other financial cooperatives and you are making a difference in your community. Join a tight-knit group of young professionals from around the world to learn about the phenomenal work they do and share your own experience during the WYCUP program in Singapore.

Why your organization should sponsor you:

By participating in the WYCUP program, not only will you learn new concepts and practices from the educational sessions, but you will have the opportunity to meet other young professionals and exchange ideas about the most critical issues facing our industry, globally. Credit unions and other financial cooperatives need to invest in their future—and that means investing in young leaders like you. New for 2018, the Diversity & Inclusion conference track is dedicated to advancing young leaders worldwide and leverages opportunities presented by the WCUC to promote professional development throughout the conference week.
