

SUPPORTER PROGRAM & BENEFITS

# A credit union — can change — everything.

WORLDWIDE FOUNDATION  
*for* CREDIT UNIONS

World Council  
of Credit Unions

# HOW YOUR DONATION BUILDS a global community:

**\$1,000**

**\$1,000** helps a credit union member buy fruit trees to increase and diversify production leading to greater income.

**\$2,500**

**\$2,500** supports the implementation of a financial literacy program in Kenya that encourages and educates young students to view agriculture as a means of income. The crops supply food for lunches and students sell any extra produce at a nearby market stand, providing micro-entrepreneurship experience.

**\$5,000**

**\$5,000** covers the cost of a mortgage loan for a Haitian household to build a safe, durable, and affordable home.

**\$10,000**

**\$10,000** covers the scholarship of four female credit union leaders to participate in the Global Women's annual workshop; equipping them with new skills, knowledge, and resources to make a measurable difference in their careers, credit unions, and community.

**\$15,000**

**\$15,000** supports the exchange of a leadership training between an emerging credit union system and developed credit union league so participants may be better equipped to strengthen the economic security of their organizations, and consequently, their members.

**\$35,000**

**\$35,000** covers the Young Credit Union People program and enables 100 young credit union leaders from 20+ countries to attend a free workshop and enhance their leadership skills and knowledge.

**\$50,000**

**\$50,000** covers the cost of executing technical assistance trainings for rural credit union staff and board members worldwide so they may better serve their members.

**\$75,000**

**\$75,000** supports the rebuilding of credit unions, replaces equipment and trains management officers in disaster recovery following devastating natural disasters.

Join the global movement and advance credit unions worldwide through a donation to the Worldwide Foundation for Credit Unions. Your donation will allow us to **CHAMPION** the credit union difference, **CONNECT** the global credit union community and **EQUIP** people with access to high quality and affordable financial services.

Demonstrate your leadership today and enter a drawing to visit a World Council field project or registration to the 2017 World Credit Union Conference in Vienna, Austria!
